BOSCH
Invented for life

- ▶ Can hold 10 contribution units and cables
- ▶ Attractive, yet sturdy construction
- ▶ Interior specially molded to securely hold system units
- ▶ Easy to transport and store
- ▶ Two separate locks for extra security

The CCS-SC10 CCS Suitcase for 10 Delegate Units is used where CCS 900 Ultra contribution units will not be used in one fixed location and, therefore, have to be easily transportable. This is often the case in town halls, hotels, business centers, local government offices or smaller halls in major conference venues.

Functions

Capacity

The CCS-SC10 is designed to accommodate ten contribution units with standard (short) length microphones. Any combination of delegate/chairman units can be catered for.

Specially shaped interior

The suitcase interior has shaped foam packing to accommodate the discussion units. This gives ample protection and makes packing and unpacking easier.

Easy to transport and store

The suitcase is attractive but also extremely durable and practical. It has handles on the top and side with two wheels on the underside for easy transport. There are two separate locks for extra security.
